EDUCATION

California State University, Los Angeles — Bachelor of Science in Computer Science

Expected Graduation: May 2026

EXPERIENCE

OpenAI (ChatGPT) — Student Ambassador

Los Angeles, CA | Sept 2025 – December 2025

- Selected for the inaugural CSU-wide ChatGPT Student Ambassador program representing CSULA to advance AI literacy across 23 campuses
- Delivered student-friendly workshops and info sessions on ChatGPT Edu and responsible AI
- Mentored peers on integrating AI into research, writing, and career development with an emphasis on ethics
- Coordinated with OpenAI EDU and CSU ambassadors to plan scalable outreach and resources

California State University, Los Angeles — ITS Accessibility Tester

Remote | January 2024 – Present

- Conducted Section 508/WCAG 2.2 audits for campus web assets and documents (PDF/HTML/PPT)
- Applied JAWS, WAVE, and Equidox to identify issues; verified fixes and regressions
- Advised developers on ARIA patterns and accessible front-end components
- Documented repeatable checks and partnered with site owners on remediation

PROJECTS

Monte Sion Center — Church & Food Bank Website | React Developer

- Built a bilingual public-facing website in React (Vite) with Tailwind, moving page content into i18n JSON for easy church/food bank updates
- Delivered a live site the church and food bank use to post food distribution updates, contact info, and donation details, now used in their day-to-day operations.

Custom GPT Tools — My GPTs

- Swift Playground Assistant — iOS/SwiftUI assistant for Swift Playgrounds; compiles and tests Swift Packages via Action
- Web Accessibility Auditor — generates high-quality alt text and audits pages for WCAG 2.1/2.2; Playwright + axe-core scan; strict JSON with copy-paste fixes

The Chat Games — ChatGPT Ambassador Program | Co-Founder, Co-Host & Website Developer

- Co-founded a CSU initiative to teach ethical, effective AI; delivered hands-on demos and sessions
- Built and maintain thechatgames.com with Bootstrap 5 and accessible UI; captioned demos; Formspre RSVP/Contact

SKILLS

- Languages & Frameworks: HTML, CSS, JavaScript, Bootstrap, C#, Python, Swift, Git, LLMs, React.
