SUMMARY

Reliable, detail-oriented office support professional with 3+ years of experience managing records, coordinating communications, and delivering responsive service to diverse stakeholders. Experienced in document tracking, error review, file organization, and day-to-day administrative coordination. Bilingual in English/Spanish with strong Microsoft Office skills. Trusted with sensitive and confidential information; known for accuracy, follow-through, and composure in fast-paced environments.

EDUCATION

California State University, Los Angeles — B.S. in Computer Science, Graduated May 2026 | GPA: 3.4

RELEVANT EXPERIENCE

ITS Accessibility Services Worker | California State University, Los Angeles | Los Angeles, CA | August 2023 – Present

- Maintained 100% file completion rate across 20+ active accessibility cases by tracking document status in Excel, flagging errors proactively, and driving timely corrections through structured follow-up with responsible parties.
- Wrote clear, professional emails to coordinate corrections and confirm completion; maintained consistent notes so progress was transparent and easy to report to leadership or stakeholders upon request.
- Managed digital files and records with strict attention to organization and confidentiality, ensuring items were accurately stored, easy to locate, and compliant with departmental procedures.

Student Ambassador | OpenAI (ChatGPT) | Los Angeles, CA | Sept 2025 – December 2025

- Co-coordinated 2+ AI literacy workshops including venue logistics, attendee communications, and support for groups of 20–50 participants, contributing to a smooth and well-received participant experience.
- Produced all interactive materials and served as the primary frontline resource for session questions, consistently receiving positive feedback from attendees and faculty partners.
- Coordinated with 5+ campus departments to keep workshop logistics on track and followed up on outstanding tasks before each event to ensure nothing fell through the cracks.

Project Coordinator / Team Lead | Senior Capstone / U.S. Military | Los Angeles, CA | Aug 2025 – May 2026

- Led coordination across a 10-person team over a 9-month project sponsored by the U.S. Army Research Laboratory; assigned tasks, set sprint priorities, and ran weekly check-ins that kept all milestones on schedule.
- Served as the primary point of contact between the team, faculty advisor, and U.S. military training coordinator; communicated progress clearly and consistently to all stakeholders throughout the project.
- Produced weekly status summaries that flagged risks early and ensured on-time delivery of all milestones and final deliverables for the project review.

Retail Sales Associate | Petco | Westwood / West LA, CA | Oct 2021 – Mar 2022

- Processed high-volume customer transactions with zero cash-handling errors across 50+ daily transactions, maintaining accuracy and professionalism during peak retail periods.
- Supported store operations consistency by organizing stock, maintaining a clean workspace, and completing end-of-shift checklists with full compliance each shift.
